SOUTH WEST CLUBMAN RALLY CHALLENGE

COMPETITORS BULLETIN 1

Introduction

Welcome to the SWCRC for 2010 thank you for registering and I hope you have a successful 2010.

The first round has now happened with the running of the Kynaston Auto Services stages and perhaps for a few of you the first time you've rallied in the snow!

The second round Bovington stages – entries are still available due to a number of withdrawals, so don't delay if you want to take part check out www.bdcc.co.uk

The TSH stages which is the 3rd round regulations are available, PLEASE book your accommodation asap as once the caravans/mobile homes have disappeared you will struggle to get accommodation in the area for such a competitive price. We do have a number of crews who would like to take part and are looking to 'pair' up with others to get one caravan. If interested then get in touch and I'll let the organisers know. Navigator Debbie Miller is looking for a ride on the event; please contact me if you would like to get her details.

I've updated the points table but please remember we are still accepting registrations and points can be back dated for ONE event only.

We will obviously like to encourage as many 'clubman' as possible to take part, so can we encourage you to ask your friends to register we also hope to announce an exciting prize package but are still in negotiations at the moment.

That's all for now...have fun and I'll catch up with you on the next round...I'm navigating in an Escort...

Any problems or queries then please get in touch.
